Yorkville Youth Athletic Association Fund Raising Program

How The Program Works:

Family or photographer takes a sharp, high resolution digital photo of child. They submit photo to us via email or on a CD. They fill out an order form, send in with a check for the total. We check photo, print, cut-out, pack and ship with applicator and installation instructions. We give Yorkville Youth Athletic Association 20% of the proceeds of all orders for your fundraising efforts.

Minimum of 15 orders to qualify for discount.
