

In an attempt to provide a successful conclusion to this years weather shortened season, we have made changes to this week's schedule.

- Due to time and field constraints, consolation games will not be played in the two older divisions (Gridiron & Playmakers).

- In the Peewee and Touchdown Divisions, the consolation games will be played at 9AM and 10AM.

- For those teams that are still playing for the championship, if they win their playoff games this week will play in their Super Bowl immediately afterward.

Thank you to all players and coaches for another fun and exciting Yorkville Flag Football season.
